Re: Clothing and Financial Donations

Thank you for your donations of \_\_\_\_\_ and your support of Peace Within Ministry. It is our prayer that you will continue to pray and support us as we go forward in His name reaching out to those in need.

We must also inform you that the new IRS law (which became effective January 1, 2005) limits the tax deduction that a donor may claim to the amount of the sale of the vehicle (unless you intend to claim \$5000.00 or less). If you intend to claim \$5000.00 or less, you may claim the fair market value of the vehicle.

Sincerely,

Portia Harrison, President
